### SWINGING

**H140 swing is specifically designed for wheelchair users.**

Once in, after blocking wheels with proper brakes, user must secure wheelchair with provided safety belts. It's mandatory to install this equipment into a dedicated area especially made for disabled users with a person in charge of steady control. It's also mandatory avoid able-bodied users accessing equipment, especially during closing time of playing area. That's to prevent improper use of equipment and its damage.
